

**CONNIE KU**

**顾惊侓**

Connie has a passion for entrepreneurship and has performed a variety of financial consulting services throughout her nearly 20-year profession. Her professional arena extends from taxation to audit, which enables her to provide various value-added consulting services, such as cost studies and financial forecasts. Connie also provides turnaround assistance; as well as advice on mergers and acquisitions. She is fluent in Mandarin and assists in setting up business across borders in both accounting and tax aspects. Connie received her B.A. in International Accounting and Finance from the International School of Shanghai University and a master's degree in Accountancy from Southern Illinois University at Carbondale. Connie is a licensed CPA in the state of Michigan.
