

**CRYSTAL LI**

**黎秋燕**

Crystal has more than 10 years of diversified experience in public accounting, including IPOs, reverse-mergers and M&A. She managed the China practice for a multinational CPA firm for several years. In addition, Crystal helped a NASDAQ-listed public company with its M&A and IPO in the US, as their Director of Finance. She has an in-depth understanding of the differences in accounting treatments between China and the US. Crystal has a strong ability to resolve complex technical accounting issues with a practical approach that not only balances business operations, but also meets compliance requirements. Crystal is a licensed CPA in the state of California, a Certified Internal Auditor and a Chartered Global Management Accountant.
