

CYNTHIA K. HANNAFEY

Cynthia is a member of the firm's National Board of Directors and leads UHY Consulting's Transformation Solutions group. Cindy is a results-focused executive with more than twenty years of experience analyzing existing operations and implementing the strategies, as well as processes and technologies to address enterprise-wide challenges. She provides strategy and vision; portfolio, program, and project management; software selection and implementation services; post-merger and integration services; and operational and financial process optimization services to client companies, excelling in the aggressive execution of projects that impact a client's internal operations.

Cindy creates and implements efficiencies for companies, and has identified solutions for clients that save millions in operational efficiency. She works to improve cash flow and has helped clients uncover millions in recaptured revenues. She creates and manages programs for companies to optimize operational costs, discovers revenue enhancement opportunities, and works to help companies create successful workflows.
