William M. Kahn, a Certified Public Accountant, is a Partner in the Albany Office of UHY LLP and a Managing Director of UHY Advisors, Inc. Bill works closely with a diverse group of middle-market private and public sector clients in financial and corporate auditing, strategic financing, taxes, and consulting. His broad background, combined with a unique understanding of the many critical challenges facing business decision-makers, has provided for improved accountability and enhanced profitability for many clients.

PROFESSIONAL EXPERIENCE:

- Experience, insight, and commitment to focus on the unique needs of middle market and entrepreneurial businesses and high net worth individuals: The cost-efficient delivery of accurate and timely accounting and consulting services and innovative tax and business strategies are his principal focus. He is responsible for the delivery of accounting and consulting services which optimize growth, profitability and wealth management for entrepreneurs, owner managed businesses and individuals. Experienced and knowledgeable, Bill provides continuing attention to clients, retains a corporate memory, and assures clients access to a professional team with superior technical skills and business acumen.
- Breadth and depth expertise complementing the services UHY provides clients: Utilizing more than thirty-five years of “hands on” management and analytical skills, Bill has performed financial accounting and audit-related services for many closely held companies and non-profits. He has assisted many middle-market companies in mergers, acquisitions, debt restructuring transactions, capital investments, and workout situations. His industry experience in such areas as real estate, transportation and manufacturing has made him a valued resource for the Firm’s clients.
- Other professional experience: Active in the New York State Society of Certified Public Accountants, the American Institute of Certified Public Accountants, and other professional and civic organizations. He holds a Bachelor of Science degree from Bryant University and a Master of Science from the University at Albany. He resides in Albany with his wife, Judy, and his son, Josh, a student at New York University.
