Eric has more than ten years of experience providing audit, accounting, and business advisory services to various public and private commercial entities. He has significant knowledge in many industries and across multiple practices.

Eric specializes in buy side and sell side advisory services for his corporate and private equity clients for a full spectrum of transactions ranging from acquisitions, divestitures, carve outs and financing transactions

Eric is well versed in the U.S. Securities and Exchange Commission reporting requirements for companies ranging from small reporting companies to large accelerated filers.

He is also experienced in providing clients with consultation over key technical accounting guidance, revenue recognition, leases, valuations, internal control processes, Sarbanes-Oxley reporting requirements and various other consulting engagements.

Eric was named an "Emerging Leader" by *The M&A Advisor Magazine* in 2020.

PROFESSIONAL EXPERIENCE:

- Managing and coordinating the timing and scope of client engagements and assuming full responsibility for directing engagements and special assignments
- Transaction experience beyond traditional due diligence extending from deal negotiation to implementation of post-transaction strategic planning
- Experience with public companies, IPOs and SEC reporting requirements
- Significant experience with consulting matters on spin offs and carve outs of public and private entities
- Providing management and internal control consulting services
- Works closely with clients to assist with the complexities faced throughout their lifecycles, including compliance requirements and financing transactions
- Responsible for the professional and technical development of the staff through on-the-job-interaction and leading in-house training

BACKGROUND:

- Licensed CPA in New York State
- MBA, Clarkson University
- B.S. Accounting, State University of New York - Brockport
