As the firm's national chairman emeritus, Tony previously served in the capacity of CEO and was in charge of the overall management of the firm. He is a member of the firm's national executive committee and national board of directors. In 2000, his leadership skills were relied upon in the merger of Follmer Rudzewicz & Company and six other national accounting firms that established what is now known as UHY Advisors, Inc.

Tony believes in giving back to the community and is a strong supporter of Detroit and its surrounding communities. He leads by example. His personal contributions and community involvement holds a strong significance in his life. He established UHY Cares, a nonprofit organization that supports those in need in the event of personal emergencies or hardships.

PROFESSIONAL EXPERIENCE:

- Provides guidance and leadership for all national offices and personnel in areas of practice management and strategic development
- Provides companies with business and tax planning services to meet the competitive demands of their industry
- Serves as an advisor to the board of directors of many large corporations
- Guides companies in strategic business planning, including mergers and acquisitions
- Successfully raised over \$200 million in support of client transactions
- Specializes in working with manufacturing and distribution companies, with a strong emphasis in plastics processing and metal forming

BACKGROUND:
