Bob has over 30 years of experience as a practicing CPA, and has worked exclusively with privately held businesses and owners to provide compliance services and sophisticated tax planning strategies including like-kind exchanges, tax-efficient workouts and restructurings, reorganizations and estate planning services.

Bob is also a nationally recognized presenter on various tax issues and is a well-known discussion leader providing continuing education seminars to tax professionals.

PROFESSIONAL EXPERIENCE:

- Extensive experience in dealing with tax authorities at both the federal and state levels
- Develops tax-favored and other retirement plans for clients
- Assists in developing tax efficient succession transitions, including acquisitions and sales of businesses
- Expertise in the taxation of small businesses and their owners, specializing in many areas of domestic taxation, including real estate, multi-state, business and individual taxation

BACKGROUND:

- Licensed CPA in the state of Connecticut
- M.S. in Taxation, University of Hartford
- B.S. in Accounting, Central Connecticut State University

THOUGHT LEADERSHIP:

- Quoted in “Everything to Know About the New \$3,000 Child Tax Credit”, U.S. News & World Report, March 2021
