

DENISE PISCIOTTA

Based in our St. Louis office, Denise is a licensed Certified Public Accountant in the State of Missouri. Denise has more than 20 years experience in public accounting, including 18 years with KPMG LLP.

PROFESSIONAL EXPERIENCE:

- Experience with broad spectrum of clients, including health care and the not-for-profit sector, manufacturing, retailing, service organizations and employee benefits.
- Provides tax consulting, advisory services and compliance for closely-held S corporations, LLC's, partnerships, corporate consolidated groups with foreign entities, multi-state and individuals. Review both separate and unitary state filings, including state apportionment.
- Assist clients with IRS examination, research complex federal and state issues and assist with various types of mergers and acquisitions.
- Extensive experience with consulting and compliance of high net-worth individuals, including retirement planning and tax saving strategies.

BACKGROUND:

- Licensed CPA in the states of Missouri and Indiana
- Certified Employee Benefit Specialist (CEBS)
- Joined the firm in 2007
- B.S. in Accounting, Illinois State University
