

JOHN BAUTISTA

John Bautista is a Managing Director in the New York office of UHY Advisors and is actively involved in business valuation and other financial advisory matters. He holds the professional designation of Accredited Senior Appraiser (ASA) with the American Society of Appraisers, is a member of Beta Gamma Sigma National Honor Society, and is a candidate for the Level III Chartered Financial Analyst designation of the CFA Institute. He passed the Series 7, 63, and 79 General Securities Representative Examinations administered by the Financial Industry Regulatory Authority.

PROFESSIONAL EXPERIENCE:

- Over 25 years of experience in finance and strategy, predominantly in client service with an emphasis on valuation of businesses, business interests, securities, and intangible assets for transaction, tax, financial reporting, and other strategic purposes
- Extensive experience in transaction advisory services associated with M&A (e.g., fairness opinions and purchase price allocations), carve-outs and divestitures, private equity, and restructuring transactions

BACKGROUND:

- BS, Business Administration (Finance), University of Southern California
- MBA, Business Administration, Columbia University
