**INDUSTRY EXPERTISE:**

- Technology and Software
- Private Equity
- Manufacturing & Distribution
- Consumer Products
- Food and Beverage
- Telecommunications
- Professional Services

**ACTIVE & PRIOR PROFESSIONAL MEMBERSHIPS:**

- American Institute of Certified Public Accountants
- New York State Society of Certified Public Accountants

Dan possesses over ten years of accounting experience focusing on both public and private companies ranging from start-ups to Fortune 500 Companies in the domestic and international markets. Dan is a key member of the Commercial Industry group where he provides expertise within the private equity, technology, media and telecommunications, food and beverage, manufacturing, distribution, consumer products and retail industry sub segments.

Dan is well versed in the U.S. Securities and Exchange Commission reporting requirements for companies ranging from special-purpose and emerging growth companies to large accelerated filers. Dan has spent a significant amount of time in helping private equity firms with investments by providing financial due diligence, quality of earnings analysis and operational improvement insights before investments are made. Dan is also experienced in providing clients with consultation over key technical accounting guidance, revenue recognition, leases, valuations, internal control processes, Sarbanes-Oxley reporting requirements and various other consulting engagements.

Dan was named an “Emerging Leader” by *The M&A Advisor Magazine* in 2020. He was also spotlighted in the “Who’s Who in Accounting and Payroll” by the *Long Island Business Journal* in 2020.

**PROFESSIONAL EXPERIENCE:**

- Subject matter expert in SEC reporting requirements
- Extensive experience with delivering quantifiable benefits to “buy side” clients including adjustments to reported EBITDA and net assets
- Provides technical training courses on various accounting topics including financial statement preparation, revenue recognition, stock-based compensation, complex financial instruments and income taxes

**BACKGROUND:**

- Licensed CPA in the state of New York
- B.S., Monmouth University, NJ

**THOUGHT LEADERSHIP:**

- Byline “Potential Pitfalls Of SPACs: What CFOs Need To Know”, Strategic CFO 360, March 2021
