Paul has more than 35 years of experience in business, finance and corporate governance. He is the Managing Partner of the UHY Iowa offices and oversees operations. Paul serves as client service partner for many of Iowa's largest CPA clients and provides the following advisory services for the firm's consulting clients:

- CFO and transaction-readiness services
- Mergers, acquisitions, and divestitures, including quality of earnings, due diligence, and integration services
- Capital formation and financing strategies
- Succession planning
- Work-outs, restructuring, and receiverships
- Business and strategic planning

PROFESSIONAL EXPERIENCE:

- Assisted venture and private equity-backed portfolio companies as their CFO, focused on financing strategies, value creation, mergers, acquisitions and exits.
- Provided buy- and sell-side advisory services, due diligence, and quality of earning analysis for publicly traded companies, family-owned middle-market companies and emerging businesses.
- Assisted family-owned middle-market businesses with key financings, succession planning and work-out situations.
- Served as court-appointed receiver in debt / creditor matters and disputes between business owners.
- Served on board of directors on various publicly traded and private companies
- Served on special committee of board of directors in "go private transaction" for publicly traded company

BACKGROUND:
