Angie has more than 20 years experience in providing attest and consulting services to privately-held companies in the construction, manufacturing, distribution, construction, service, and employee benefit plan sectors.

Her core technical strengths include financial statement audits and other attestation procedures such as reviews, compilations, and employee benefit plan audits. Angie is the advisor to several of our largest construction and manufacturing clients, including companies with complex organizational structures and international operations.

Angie is a member of the UHY National and Local Construction, Manufacturing, and Employee Benefit Plan teams.

PROFESSIONAL EXPERIENCE:

- Responsible for the quality and timely delivery of audit, review, and compilation services for privately-held companies (revenues ranging from \$2 Million to \$1 Billion)
- Interact with top management of clients to determine their accounting needs, discuss internal control weaknesses and suggest solutions
- Research and communicate complex accounting issues with partners and clients
- Presentations to Board of Directors of privately-held companies
- Responsible for supervising several ERISA audits

BACKGROUND:

- Licensed CPA in the state of Missouri
- Joined the firm in 2000
- B.S. in Accounting, Missouri State University, December 1999
