

## MICHAEL LANDERS, CPA

Michael serves as Managing Director in UHY's Houston Office. Michael has more than 20 years of audit and business advisory experience serving public and privately held companies. He has led audit and advisory services across multiple industries including construction, manufacturing, distribution, engineering, oilfield service, energy (upstream and midstream), hospitality, technology, and life sciences.

**PROFESSIONAL EXPERIENCE:** Michael's experience includes, but is not limited to

- Assurance – Leads external audit and review engagements for publicly traded and privately held companies with revenue ranging from \$10 million to \$1 billion.
- M&A – Assists clients with accounting matters in support of merger/acquisition initiatives including IPO transactions, mergers, debt refinancing, secondary offerings, divestitures, recapitalizations, corporate reorganizations, and other strategic corporate finance initiatives.
- Buy-side/Sell-side Diligence – Provides due diligence reviews in corporate transactions including review of accounting policies, quality of earnings and working capital, cash flow analysis, asset valuation, accounting systems and controls, and operational processes on clients with revenue ranging from \$10 million to \$1 billion.
- Other Transaction Advisory – Provides clients with transaction management, due diligence, quality of earnings, risk and financial assessment, initial discussions (kicking the tires), transaction accounting impact, transaction operating impact, sale collateral and management reporting (offering memoranda, financial data materials and management reporting packages).
- Technical Advisory – Provides clients with technical memos, financial reporting, SEC reporting, SEC preclearance and comment letters, combinations and purchase price allocation, pro forma disclosure, operational and back-office analysis, new standard impact and management reporting.
- C-Suite – Has served as both a CFO and COO in the engineering and technology industries, respectively. Extensive financial and operational experience
